

Congratulations!

Rev. Tony Casey, Assistant District Superintendent, participated in and completed the Chicago Marathon on October 11. Tony's time was 4 hours, 23, minutes, 52 seconds and placed him as the 17,068th finisher out of 45,000 registered participants. He maintained a great pace of about 10 minutes per mile for the 26.2 miles through the streets of the windy and cold city on this day.

Months of training done alongside the demanding coursework as he pursues his Ph. D at Trinity Evangelical Seminary in Deerfield, IL, enabled Tony to complete the race and accomplish his goal . . . finishing. He even managed to show up for his class the next day! Several of Tony's friends and family, including some of our SC Wesleyans, made the trip to support him in this endeavor.

Tony, we are proud of you and this accomplishment. Your discipline and determination have served you well in ministry and are now reflected in this achievement. (Our crack district statistical staff has discovered that 6,339 women finished ahead of you! But rest assured, there are no "sour-grape sentiments" reflected in this disclosure.)
